

ENVIRONMENTAL POLICY

Ceetak Ltd recognises the importance of environmental protection and is committed to operating its business responsibly and in compliance with all legal requirements relating to the design, development and supply of sealing systems.

Where specified, products are traceable to ISO 9001/IATF 16949/AS 9120B approved manufacturers. It is Ceetak's declared policy to operate with, and to maintain good relations with all regulatory bodies.

It is Ceetak's objective to carry out all measures reasonably practicable to meet, exceed or develop all necessary or desirable requirements and to continually improve environmental performance through the implementation of the following:

- Assess and regularly re-assess the environmental effect of the organisation's activities
- Training of employees in environmental issues
- Minimise the production of waste
- Minimise material wastage
- Minimise energy waste
- Reduce use of unsustainable materials
- Maximise use of local resources
- Promote the use of recyclable or renewable materials
- Reduce and/or limit the production of pollutants to water, land and air
- Control noise emissions from operations
- Minimise the risk to the general public and employees from operations and activities undertaken by the organisation

This policy is communicated to all employees, relevant suppliers and subcontractors and is made available to the public.
